

# LPG SEMI-TREYLER TANK P&I DIAGRAM

METER & REEL CABINET

## NOMENCLATURE

1	Safety relief valve
2	Thermometer
3	Manometer
4	Excess flow valve for manometer
5	Fixed level valves %5 - %85
6	Rotogauge
7	Magnetic level gauge
8	Liquid phase valve
9	Vapour equalizing valve
10	Liquid filling valve (Check valve)
11	Drain valve
12	Filter
13	Pump
14	Manometer
15	Non return valve
16	By-pass valve
17	Manuel by-pass valve
18	Liquid filling connection valve
19	Liquid filling connection
20	Purge valve
21	Suction nozzle valve from outside
22	Suction nozzle from outside
23	Line unloading valve
24	Vapour equalizing connection valve
25	Vapour equalizing connection
26	Purge valve
27	Ball valve
28	Metering unit
29	Manometer
30	Ball valve
31	Relief valve
32	Hose reel
33	Hose end valve
35	Earthing reel
36	Ball valve
37	Back pressure check valve
41	Emergency unloading valve
42	Bypass maintenance valve
49	Swivel joint
